

## Studies Available for Point Groups

**New Video Series by Chuck Colson and Rick Warren**

Christian leaders **Chuck Colson** and **Rick Warren** have joined together to produce a stimulating new study called **Wide Angle: Framing Your Worldview**.

Our worldview —the way we look at life— impacts everything we do. The moral choices we make; the way we spend our money; the kind of relationships we have; the priorities we set.

The question is : Is our worldview fully shaped by Christian truth? And do we know the best way to detect and counter the false values of our culture?

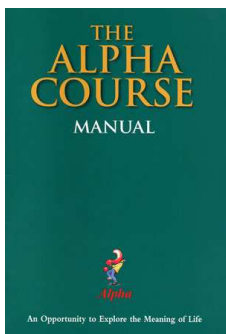

In this brand new DVD study series, Colson and Warren tackle some of the key issues of our day: truth vs. relativism, creationism vs. Darwinism, tolerance, terrorism, and so much more. You will learn about competing worldviews, the

biblical basis for a Christian worldview, and its application to every facet of life.

DVD-driven, this study is easy to lead. Get a kit for the leader, plus study guides and books for each participant. Then get your friends together, offer some refreshments, and turn on the DVD player!
