Year Highlights!

God continues to blow us away! It was another year of amazing stuff—more than we could have imagined! The Gospel is going out in so many ways and so many places! Here are a few—but there are many more we don't have room for! It's no secret, our God likes to show off, anywhere and everywhere...

20,000 Pocket-Mangas in Bengali!

Close to 200 churches in Bangladesh and countless kids groups, including Muslim and Hindu kids have been mobilized with the pocket-manga. This is the stuff of dreams! Plus, translation of the Treasure Hunt Venture Discipleship series into Bengali is completed. Much more is coming! Bangladesh is the largest unreached people group in the world.

5,000 Pocket-Mangas in Ukrainian

We printed in Poland, and from there to Ukraine, and even the US; kids are meeting Jesus. Plus we have every Treasure Hunt resource ready in Polish and the publisher in Poland is set to rock and roll!

Helping People Share Jesus Around The World

5,000 GospelShare Blossoms on Maui

Emerging from Sophia's Blossom ministry, 25 plus churches on Maui are getting this brand new Gospel presentation out to survivors of the Lahaina fires. One highlight is that the dominant funding for this came from Japanese believers—that is exciting! This initiative is also valuable for Gospel intervention in other world disasters.

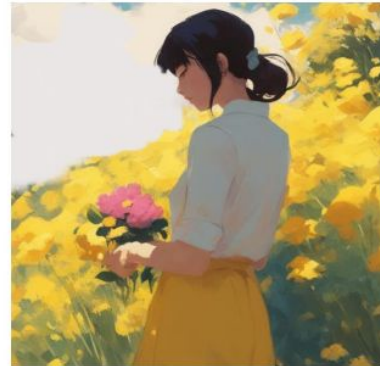

10,000 GospelShare Ladies in Italian

Our ladies booklets are proving globally popular! Young women in Japan are coming to Christ, but also in other places we don't even know. Besides Japan, it's in Italian, English, Armenian, and the translations of French and Spanish are complete!

GospelShare Ladies "Love Challenge" launched

Junko has hosted about a dozen "Love Challenge" groups. This is our 30 Day SNS encouragement to help women experience Jesus' love deeper and share it with someone who does not know His love. Women are inspired, challenged, and supported to pray for each other daily and win others. Women

👍 are coming to Christ with other women!
It's a totally first time experience for some!

We Give God Praise For You!!!
